WHOLESALE TRADE LIST

Spring 1929

Forest Nursery Co., Inc.

Wholesale Nurserymen
McMINNVILLE, TENN.

TO THE TRADE

It is with pleasure that we are able to offer the trade such a complete line of forest tree seedlings and shrubs for lining out for spring shipment.

First, we wish to extend greetings and best wishes for a prosperous year in 1929, and to thank each and everyone of our customers for the business they have given us in the past, and we trust we may have the pleasure of having an order from you for spring 1929 shipment.

We are perhaps the largest growers and handlers of Hedge Plants, Privett California and Amur River North and Barberry Thunbergii in this section and your orders for these plants are neither too small nor too large for us to handle. We can now dig, grade and tie this stock to suit your requirements. If you want to buy in carload lots write us for special prices. Samples sent on request.
